MOBILE GUIDE

HOW TO REGISTER AND ACTIVATE LEVEL 1 IN THE F-FREEDOM PROGRAM

This guide is for participants who have already set up and funded their wallet with the required assets.

Fin Freedom
— NETWORK —

1. CONNECT YOUR WALLET

Open the official Fin Freedom Network website on your mobile browser.

<https://www.finfreedomnetwork.io>

Tap the Account Icon at the top-right corner of the screen.

Select Connect and follow the prompt to connect your wallet.

Fin Freedom
— NETWORK —

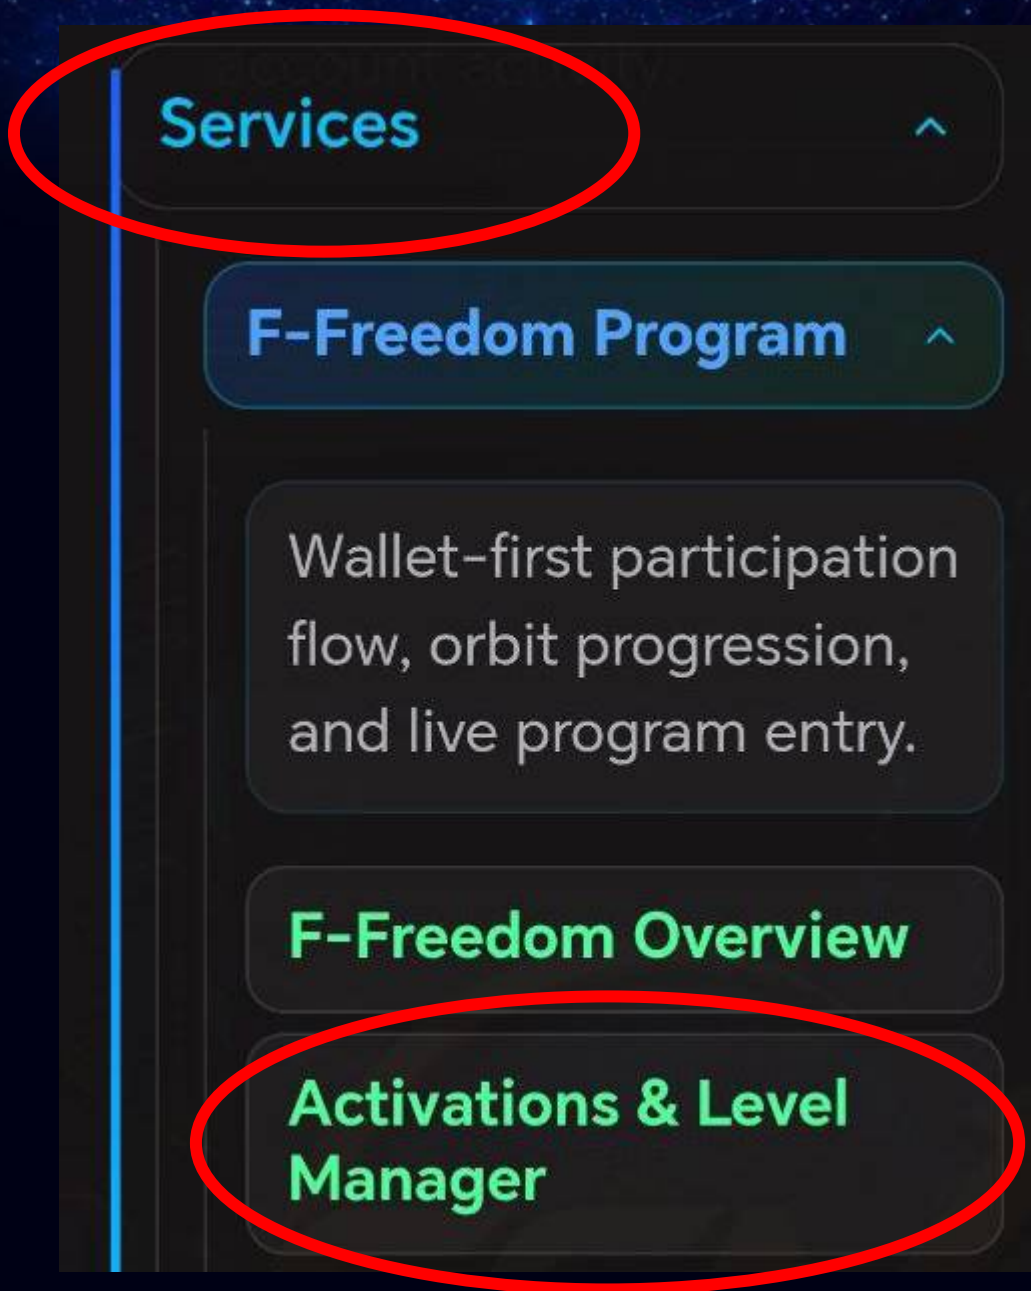

2. OPEN THE ACTIVATION PAGE

After your wallet is connected, tap the Menu Icon at the top-left corner.

Fin Freedom
— NETWORK —

Go to Services.

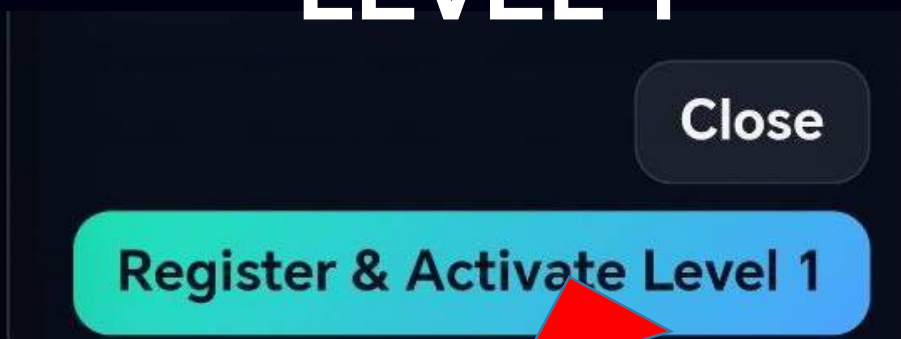

Select F-Freedom Program.
Then tap Activation & Level Manager.

This will take you to the activation
page.

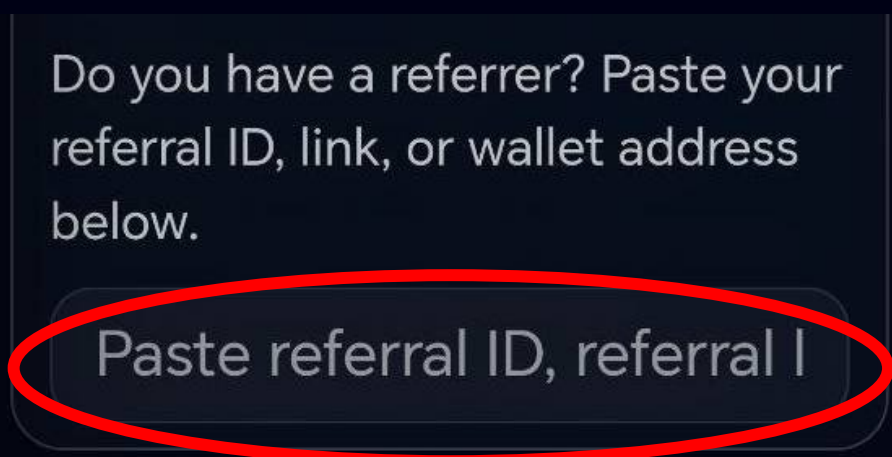

Fin Freedom
— NETWORK —

3. ACTIVATE LEVEL 1

On the activation page, click
Activate Level 1.

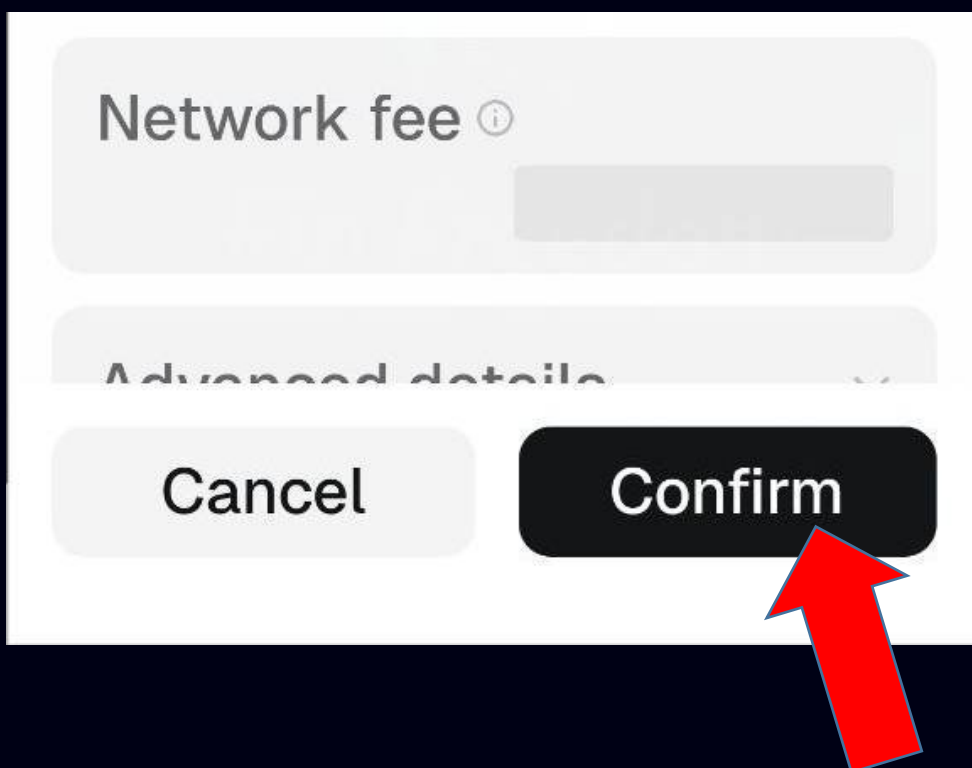

If required, enter or paste your
referrer ID or wallet address.

Your wallet will open and ask
you to approve the transaction.

Fin Freedom
— NETWORK —

4. CONFIRM THE TRANSACTION

When your wallet opens, review the transaction details carefully.

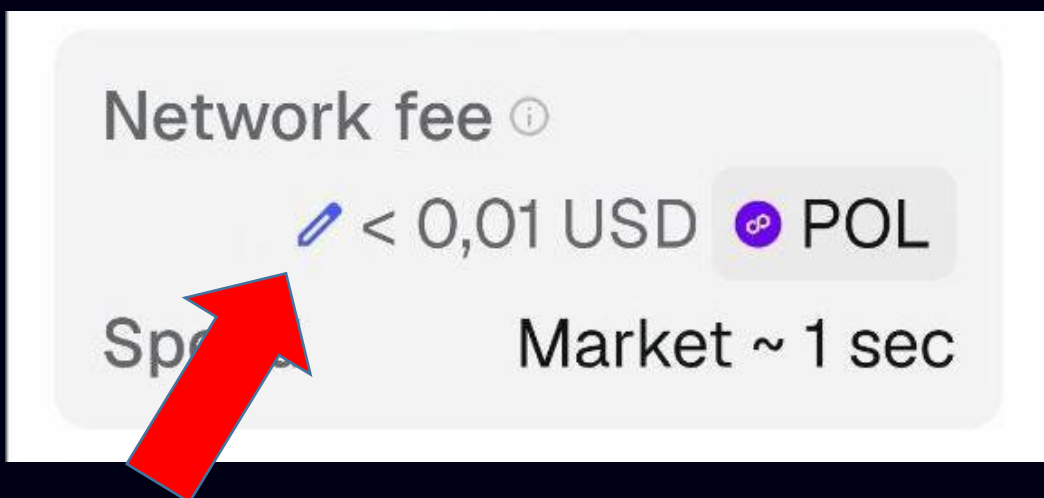

If everything is correct, tap Confirm to sign and submit the transaction.

Do not close the page while the transaction is processing.

Fin Freedom
— NETWORK —

5. IF YOU SEE A GAS LIMIT OR NETWORK FEE ERROR

If you see an error such as “Transaction failed: Gas limit error”, open the transaction fee settings in your wallet.

Tap the small pen/edit icon beside Network Fee.

Select Advanced.
Increase the Base Fee and
Priority Fee to around 30 or
above, then retry the transaction.

Fin Freedom
— NETWORK —

6. CONFIRM YOUR ACTIVATION

After the transaction is successful, return to the Activation & Level Manager page.

Refresh the page if necessary. You should now see that Level 1 has been activated.
